

“Transform Your World”

Sometimes it seems like the world is speeding up. With each day, we seem to learn shocking things about people, corporations, institutions, and governments that were previously hidden from our knowledge. Our confidence and trust may be shaken. Having a job and economic success has not brought meaning and peace to our lives as we had expected. Whatever our circumstance in life, wherever we may be, we still find ourselves seeking something or someone we can believe in, something or someone who can give us hope and meaning to life; who can transform our world.

Over more than two millennia, more than a billion people worldwide have experienced life changing transformation by developing a relationship with Jesus Christ. "Transform Your World" is the thematic focus of the 2018 Shores United Methodist Church Revival being held April 22 to April 24 at 724 Shores Blvd.

Come and see Bible characters come to life in the exciting "One Man Show" dramatic ministry of Rev. Mark Winter.

Rev. Winter, emphasizing that each of us is "Wired for Connection," combines drama, song, scripture, video, and preaching to share a message of God's love for you and me, as exemplified through the life of Jesus. Come, join Rev. Winter, the people of Shores and surrounding communities, and learn about God's grace. Find out what it means to experience spiritual freedom as a follower of Jesus. Grow and enjoy personal transformation, identify and claim your spiritual gifts. With open hearts, open minds, open doors, we welcome you to come and transform your world.
